“Desde el cementerio de Tibas, camina 200 metros hacia el sur, luego 300 metros hacia el oeste, cruza las vías del tren, y ahí verás la casa blanca de dos plantas.”

Costa Rica

A wide-angle landscape photograph showing a geothermal area. In the foreground, there is a field of green moss and rocks. A modern, low-rise building with large windows is situated on a grassy slope. In the background, a large, dark, rocky mountain (likely a volcano) is visible, with white steam or smoke rising from its base. The sky is filled with soft, white clouds, and a faint rainbow is visible in the upper right portion of the sky.

By public transport

The nearest train station is in Lagos, the nearest bus stop in Aljezur and the nearest airport is in Faro.

By car

From Aljezur take the N267 towards Monchique (or towards Aljezur if coming from Faro). Go uphill approximately 5km. Then look for a small wooden sign that says "Penedo" on your left (on your right if from Faro). Go down the bumpy track past that sign for 1km and park where it says "treehouse".
